

STICKCRAFT

— Printing & Packaging —

The background of the slide features a top-down view of various cardboard packaging materials. In the center, there is a large, flat, rectangular piece of light brown cardboard. Surrounding it are several other items: a cylindrical cardboard box, a smaller rectangular box, and several individual cardboard tags or labels. Some of these items are tied with natural-colored twine. The overall aesthetic is clean and industrial, focusing on the raw materials of the company.
